REMARKS

The amendments of the specification are made in response to the Examiner's request of adding the amendment directing the entry of the sequence listing to the specification.

No new matter is added in any of the above amendments and the Examiner is respectfully requested to enter the amendments.

In view of the foregoing amendment and remarks, the Applicants believe that the application is in good and proper condition for allowance. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned at (650) 463-8109.

Respectfully submitted,

Albert P. Halluin (Reg. No. 25,227)
